2.0 Clarifications

2.1 BA has entered into this Agreement in accordance with the requirements of 47 USC § 252(i), but has advised STARPOWER that BA disputes the applicability of the Separate Agreement's Reciprocal Compensation arrangements to Internet traffic (herein the "Disputed Issue"). STARPOWER believes that the Separate Agreement's Reciprocal Compensation arrangements apply to Internet traffic, but acknowledges that STARPOWER and BA disagree as to the meaning of the Separate Agreement with respect to the Disputed Issue, and that BA's execution of this Agreement does not constitute a voluntary adoption or reaffirmation of the Separate Agreement, an admission that any provision of the Separate Agreement (or STARPOWER's interpretation thereof) is lawful or reasonable, or a release or waiver of BA's claims and defenses pertaining to the Disputed Issue. By signing this Agreement, STARPOWER does not agree that any provision in the Separate Agreement is void, unenforceable, or in any way inconsistent with applicable FCC rules as currently in effect pursuant to the Supreme Court decision of January 25, 1999. The entry into, filing and performance by the Parties of this Agreement does not in any way constitute a waiver by either Party of any of the rights and remedies it may have to seek review of any of the provisions of this Agreement or the Separate Agreement, or to petition the Commission, other administrative body or court for reconsideration or reversal of any determination made by any of them, or to seek enforcement or review in any way of any portion of this Agreement or the Separate Agreement in connection with the Disputed Issue or STARPOWER's election under 47 USC § 252(i).

2.2 Attachment IV of the Separate Agreement is amended by adding a new section 1.3 as follows:

1.3 Additional Interconnection Arrangement

1.3.1 BA will provide its own fiber optic facilities and OC-48 fiber optic terminal equipment to the STARPOWER Interconnection Point ("STARPOWER-IP") located at 10000 Derekwood Lane, Lanham, Maryland which BA may use for the carriage of: (i) Local Traffic or IntraLATA Toll Traffic originated on BA's network or on another LEC's network in LATA 236 for delivery to STARPOWER or to any carrier subtending STARPOWER's tandems or end offices located in LATA 236; (ii) Meet Point Billing traffic; and (iii) Operator Services, Directory Assistance and 911 traffic. At BA's discretion, BA may also use its facilities and terminal equipment installed at the Derekwood Lane premises to provision access services or other tariffed BA services over separate trunks, which STARPOWER may order pursuant to effective BA tariffs and which are not the subject of this Agreement. BA will install its OC-48 transport fiber optic equipment in pre-assembled relay racks at the Derekwood Lane premises. BA may, upon reasonable notice to and concurrence of STARPOWER, place additional OC-48 facilities or other transport equipment. Such concurrence shall not be unreasonably withheld. The preassembled relay racks also will be owned and installed by BA. All racks and equipment placed by BA shall comply with the same requirements for safety that would apply if the same equipment were

placed by BA within its own Central Offices. BA shall make commercially reasonable efforts to take into consideration STARPOWER's aesthetic requirements (e.g., color) for equipment installed by BA at the Derekwood Lane premises provided that STARPOWER has provided BA with reasonable prior notice of such aesthetic requirements and that such aesthetic requirements do not increase the cost to BA to purchase and install such equipment. STARPOWER will designate a location within the Derekwood Lane premises for installation of the pre-assembled relay racks and OC-48 transport equipment. Such location shall, unless otherwise mutually agreed to by the Parties, be within the environmentally controlled equipment room in which the STARPOWER switch is currently installed ("switch room"). STARPOWER will ensure that the BA equipment is provided with 48Vdc power and that the switch room is supplied with air conditioning and HVAC necessary to support the BA OC-48 equipment. STARPOWER shall permit BA to install its OC-48 equipment, pre-assembled relay racks, and/or other transport facilities and equipment in the switch room, and shall provide the jumper between BA's side of a jack (provided by STARPOWER) and STARPOWER's side of a jack on a DSX equipment shelf, at no charge.

- 1.3.2. BA personnel and vendors will be provided with access to the switch room 24 hours a day, seven days per week. BA shall submit to STARPOWER a list of BA personnel and vendors pre-approved by BA to be provided with access to the switch room, provided however, that in the event of an emergency, STARPOWER will permit access to other BA personnel and vendors designated by BA.
- 1.3.3. BA, at its expense, and at its sole discretion may install a secure enclosure or other security device (such as locking equipment cabinets) for the OC-48 equipment installed in the switch room, on the prior approval of STARPOWER, and which shall not be unreasonably withheld. BA shall coordinate any such installation with STARPOWER. BA shall not store any other material in such enclosures or cabinets except for the spare parts necessary to replace any defective component of the OC-48 or other BA equipment installed at the Derekwood Lane premises.
- 1.3.4. Upon STARPOWER's request and upon placement of appropriate orders by STARPOWER, BA shall provide STARPOWER with transport from the Derekwood Lane premises to the BA-IPs for the sole purpose of (i) delivering Local Traffic or IntraLATA Toll Traffic originated on STARPOWER's network in LATA 236 and terminating to either (a) BA's network or (b) any local carrier subtending BA's end office or tandems located within LATA 236; and (ii) delivering Meet Point Billing traffic; and (iii) Operator Services, Directory Assistance and 911 traffic. Upon STARPOWER's request, BA shall also provide STARPOWER with separate non-switched transport to any Independent Telephone Companies with which BA may interconnect. BA shall charge STARPOWER for such transport at the sum of the rates for the comparable

entrance facility and dedicated interoffice transport as specified in Appendix 2 for any transport provided pursuant to this Section 1.3. For purposes of the interconnection arrangements provided under this Section 1.3, the STARPOWER-IP and the POI are both located at STARPOWER's Derekwood Lane premises.

- 1.3.5. BA will provide transport to STARPOWER pursuant to this Section 1.3 using BA interoffice facilities and fiber facilities between the BA central office premises located in Lanham, MD and the STARPOWER Derekwood Lane premises using a single entrance at each premise. At such time as dual entrance facilities are available at either premise, the Parties may transition to dual entrance to the relevant premise upon mutual agreement. BA will use the most current forecast provided by STARPOWER when determining the utilization and/or future transport capacities used to provide STARPOWER with transport pursuant to this Agreement.
- 1.3.6. To the extent STARPOWER provides conversion of DS-3 signals to STS 1 signals as required to connect the transport facilities described in Section 1.3.1 above used for the carriage of Local or IntraLATA Toll traffic originated on BA's network with the STARPOWER switch interface, STARPOWER shall charge BA \$417 per STS 1 per month to perform this DS-3 to STS 1 conversion. BA will provide STARPOWER with 3/1 multiplexing to connect the transport facilities to the BA switch interface. BA will charge STARPOWER the rates specified in Attachment I of the Separate Agreement for this 3/1 multiplexing or any other services or facilities provided under this Section 1.3 except as otherwise specified.
- 1.3.7 Each party must order its own trunking facilities.
- 1.3.8 In recognition of the reduced cost of interconnection to BA as a result arrangements specified in this section 1.3, BA expressly conditions the provision of transport at the rates and charges specified in this Agreement upon STARPOWER's agreement to permit BA, without charge, to install its OC-48 equipment, pre-assembled relay racks, and/or other transport facilities and equipment in the switch room and to provide the jumper between BA's transport equipment and a STARPOWER fiber distribution bay, at no charge as described in this Section 1.3.
- 1.3.9 In the event any judicial or regulatory authority in the exercise of its lawful jurisdiction determines that any of the provisions of the interconnection arrangements specified in this Section 1.3 are not legitimately or integrally related to the other provisions in this Section, and BA would otherwise be required to provide less than all the provisions in this Section to another requesting Telecommunications Carrier under section 252(i) of the Act, then BA at its sole discretion may discontinue the arrangements specified in this Section as quickly as the Parties may negotiate and implement alternative arrangements, but no later than 120 days following such determination unless otherwise mutually agreed.

2.3 Notwithstanding any other provisions of this Agreement, BA shall have no obligation to perform under this Agreement until such time as STARPOWER has obtained a Certificate of Public Convenience and Necessity ("CPCN") or such other Commission authorization as may be required by law as a condition for conducting business in Virginia as a local exchange carrier.

APPENDIX 1

MCImetro/Bell Atlantic
INTERCONNECTION AGREEMENT 1997

MCImetro Access Transmission Services of Virginia, Inc.
and
Bell Atlantic-Virginia, Inc.

June, 1997

**MCImetro/Bell Atlantic
INTERCONNECTION AGREEMENT 1997**

This MCImetro/Bell Atlantic Interconnection Agreement (the "Agreement"), effective July 17, 1997 (the "Effective Date"), is entered into by and between MCImetro Access Transmission Services of Virginia, Inc. ("MCIm"), a Virginia corporation, and Bell Atlantic - Virginia, Inc. ("Bell Atlantic" or "BA"), a Virginia corporation, to establish the rates, terms and conditions for the purchase and provision of Local Interconnection, Local Resale, unbundled Network Elements and other services, all as set forth in this Agreement (individually referred to as the "service" or collectively as the "services") for the purpose of the purchasing Party's provision of Telephone Exchange Service, Exchange Access Service, and/or Telecommunications Services.

WHEREAS, on February 8, 1996, the Communications Act of 1934, 47 U.S.C. § 151, *et seq.*, (the "Act") was amended by the Telecommunications Act of 1996; and

WHEREAS, the Act places certain duties and obligations upon, and grants certain rights to, Telecommunications Carriers and Local Exchange Carriers; and

WHEREAS, the Parties are Telecommunications Carriers and Local Exchange Carriers; and

WHEREAS, the Act places certain duties and obligations upon, and grants certain rights to, Incumbent Local Exchange Carriers, and Bell Atlantic is an Incumbent Local Exchange Carrier; and

WHEREAS, the Parties wish to interconnect their local exchange networks for the provision of Telephone Exchange Service, for the transmission and termination of local calls, so that subscribers of each can receive local calls that originate on the other's network and place local calls that terminate on the other's network, and for use in the provision of Exchange Access Service ("Local Interconnection"); and

WHEREAS, MCIm wishes to purchase Telecommunications Services for resale to others ("Local Resale" or "Services for Resale"), and Bell Atlantic is willing to provide such service; and

WHEREAS, MCIm wishes to purchase on an unbundled basis Network Elements, and to use such services for the provision of Telecommunications Services to others, and Bell Atlantic is willing to provide such services on the terms set forth herein; and

WHEREAS, the Parties intend the rates, terms and conditions of this Agreement, and their performance of obligations thereunder, to comply with the Act, the Rules and Regulations of the Federal Communications Commission ("FCC"), and the orders, rules and regulations of the Virginia State Corporation Commission (the "Commission");

NOW, THEREFORE, in consideration of the premises and the mutual covenants of this Agreement, and intending to be legally bound by this Agreement, the Parties hereby covenant and agree as follows:

PART A – GENERAL TERMS AND CONDITIONS

Section 1. Scope of this Agreement

1.1 This Agreement, consisting of Parts A, B and C, specifies the rights and obligations of each Party with respect to the purchase and sale of Local Interconnection, Local Resale and Network Elements. This PART A sets forth the general terms and conditions governing this Agreement. Capitalized terms used in this Agreement shall have the meanings defined in PART B – DEFINITIONS, or as otherwise elsewhere defined throughout this Agreement. PART C sets forth, among other things, descriptions of the services, pricing, technical and business requirements, and physical and network security requirements.

LIST OF ATTACHMENTS COMPRISING PART C:

- I. Price Schedule
- II. Local Resale
- III. Network Elements
- IV. Interconnection
- V. Collocation
- VI. Rights of Way
- VII. Number Portability
- VIII. Business Process Requirements
- IX. Security Requirements
- X. Performance Reporting

1.2 Bell Atlantic shall provide the services in any Technically Feasible Combination requested by MCI, pursuant to the terms of this Agreement and in accordance with the requirements of Applicable Law, or where appropriate, the Bona Fide Request ("BFR") process set forth in Section 25 (BFR Process for Further Unbundling) of Part A, except that Local Resale shall be provided pursuant to Attachment II. Neither Party shall discontinue or refuse to provide any service provided or required hereunder, except in accordance with the terms hereof, without the other Party's written agreement. Bell Atlantic shall not reconfigure, reengineer or otherwise redeploy its network in a manner which would impair MCI's ability to offer Telecommunications Services in the manner contemplated by this Agreement, the Act or the FCC's Rules and Regulations without providing notice of Network Changes in accordance with the Act and FCC Rules and Regulations.

1.3 The Parties acknowledge that some of the services, facilities and arrangements provided pursuant to this Agreement are or will be available under and subject to the

terms of the federal or state Tariffs of the Party providing them. To the extent that a Tariff of a Party applies to any service, facility or arrangement provided pursuant to this Agreement, the following shall apply:

1.3.1 The rates and charges set forth in Attachment I shall remain fixed for the term of this Agreement or until superseded by such rates (whether interim or permanent) as may be applied by the Commission, notwithstanding that either of such rates may be different from those set forth in any effective, pending or future Tariff of the providing Party, (including any changes or modifications to any such Tariff--or any new Tariff--filed after the Effective Date of this Agreement); provided, however, this Section 1.3.1 shall remain subject to Section 1.3.3.

1.3.2 This Agreement and any applicable Tariffs of either Party shall be construed whenever possible to avoid any conflict between them. The fact that a condition, term, right or obligation appears in the Agreement and not in a Tariff, or in a Tariff but not in the Agreement, shall not be interpreted as, or deemed grounds for finding, a conflict for the purposes of this Section 1.3.

1.3.3 Any change or modification to any Tariff (including any Tariff filed after the Effective Date hereof) filed by either Party that materially and adversely impacts the provision or receipt of services hereunder or which materially and adversely alters the terms hereof shall only be effective against the other Party to the extent permitted by: (i) that Party's written consent; or (ii) an affirmative order of the Commission. Each Party shall file any required Tariff revisions, modifications or amendments in order to comply with Applicable Law and to continue performance of this Agreement in a lawful manner.

1.4 Construction

1.4.1 For purposes of this Agreement, certain terms have been defined in Part B or elsewhere in this Agreement. These terms will have the meanings stated in this Agreement, which may differ from, or be in addition to, the normal definition of the defined word. A defined word intended to convey the meaning stated in this Agreement is capitalized when used. Other terms that are capitalized, and not defined in this Agreement, shall have the meaning stated in the Act.

1.4.2 Unless the context clearly indicates otherwise, any defined term which is defined or used in the singular shall include the plural, and any defined term which is defined or used in the plural shall include the singular.

1.4.3 The words "shall" and "will" are used interchangeably throughout this Agreement and the use of either indicates a mandatory requirement. The use of one or the other shall not mean a different degree of right or obligation for either Party.

1.4.4 Conflicts among terms in Parts A and B of this Agreement, the Attachments and the Exhibits thereto, and the Tariffs shall be resolved in accordance with the following order of precedence, where the document identified in Subsection "(i)" shall have the highest precedence: (i) Parts A and B of this Agreement; (ii) the Attachments and the Exhibits thereto; and (iii) the Tariffs. The fact that a matter is addressed in one of these documents, but not in another, shall not constitute a conflict for purposes of this Section 1.4.4.

Section 2. Regulatory Approvals

2.1 The Parties shall promptly submit this Agreement, and any amendment or modification hereof, to the Commission for approval in accordance with Section 252 of the Act. Following such submission, the Parties shall submit the Agreement to any other applicable governmental entity for any requisite approvals. In the event any governmental authority or agency rejects any provision hereof, the Parties shall negotiate promptly and in good faith such revisions as may reasonably be required to achieve approval.

2.2 In the event the FCC or the Commission promulgates rules or regulations, or issues orders, or a court of competent jurisdiction issues orders, which make unlawful any provision of this Agreement, or which materially reduce or alter the services required by statute or regulations and embodied in this Agreement, then the Parties shall negotiate promptly and in good faith in order to amend the Agreement to substitute contract provisions which conform to such rules, regulations or orders. In the event the Parties cannot agree on an amendment within thirty (30) days after the date any such rules, regulations or orders become effective, then the Parties shall resolve their dispute under the applicable procedures set forth in Section 24 (Dispute Resolution Procedures) hereof.

2.3 The Parties intend that any services requested by either Party relating to the subject matter of this Agreement that are not offered hereunder will be incorporated into this Agreement by amendment upon agreement by the Parties.

2.4 In the event that any legally effective legislative, regulatory, judicial or other legal action materially affects any material terms of this Agreement, or the ability of MCI or Bell Atlantic to perform any material terms of this Agreement, MCI or Bell Atlantic may, on thirty (30) days written notice (delivered not later than thirty (30) days following the date on which such action has become legally binding or has otherwise become legally effective) require that such terms be renegotiated, and the Parties shall renegotiate in good faith such mutually acceptable new terms as may be required.

2.5 When this Agreement is filed with the Commission for approval, the Parties will request that the Commission: (a) approve the Agreement, and (b) refrain from taking any action to change, suspend or otherwise delay implementation of the Agreement.

2.6 Each Party shall be responsible for obtaining and keeping in effect all FCC, Commission, franchise authority and other governmental approvals, that may be required in connection with the performance of its respective obligations under this Agreement.

Section 3. Term of Agreement

3.1 This Agreement shall become effective as of the Effective Date stated above and, except as otherwise provided in this Agreement, shall remain in effect until July 17, 2000, and thereafter until terminated as provided in this Agreement. At least one hundred eighty (180) days before the term expires, either Party shall file with the Commission any request for an extension of that term, and shall on the same day provide notice to the other Party. At least one hundred fifty (150) days before the term expires, the other Party shall respond to the requested extension. If for any reason a new agreement has not been reached by the end of the three-year term, the existing interconnection agreement shall continue, month-to-month, under the same terms and conditions, subject to a true-up, until resolved by the Commission.

3.2 This Agreement shall be effective between the Parties as of the Effective Date, notwithstanding the pendency of proceedings challenging the Commission's approval of the Agreement.

3.3 Each Party recognizes that the services being provided under this Agreement at the time of its termination may need to be continued without interruption thereafter, and that upon such termination, either Party may itself provide or retain another vendor to provide comparable services. Each Party agrees to cooperate in an orderly and efficient transition to the other Party or another vendor such that the level and quality of the services are not degraded, and to exercise reasonable efforts to effect an orderly and efficient transition.

3.4 Unless a service is required to be offered by a Party under Applicable Law, either Party may terminate any service provided under this Agreement upon thirty (30) days prior written notice to the other Party unless a different notice period or different conditions are specified in this Agreement (including, but not limited to, in an applicable Tariff or Applicable Law) for termination of such service, in which event such specified period and/or conditions shall apply. Upon termination of its purchase of a service by the purchasing Party, the purchasing Party shall pay any applicable termination charges specified in this Agreement. Upon termination of a Local Resale service by Bell Atlantic, MCIIm shall be entitled to continue providing the terminated service to MCIIm's subscribers on a grandfathered basis to the same extent, and subject to the same terms and conditions, as would apply to such subscribers if they had been subscribers of Bell Atlantic for the terminated service at the time the service is terminated, and Bell Atlantic shall continue to provide such services to MCIIm on the same basis.

3.5 Following the expiration of this Agreement, this Agreement shall remain in effect as to any Expiring Service for the remainder of any contract period applicable to such Expiring Service at the time of the expiration of this Agreement. If an Expiring Service

is terminated prior to the expiration of the contract period applicable to such Expiring Service, MCIm shall pay any termination charge provided for in this Agreement, in an applicable Tariff, or in the contract applicable to the Expiring Service. Following expiration of the applicable contract period for an Expiring Service, the Expiring Service, until terminated, shall be subject to: (i) any effective agreement superseding this Agreement; or (ii) to the extent such Expiring Service is not covered by such superseding agreement, applicable Tariffs. For the purposes of this Section 3.5, "Expiring Service" means: (a) any Local Resale service that, upon expiration of the term of this Agreement, is being provided under this Agreement and is subject to a remaining contract period greater than one (1) month; or (b) any Local Resale service: (i) for which an order has been submitted and accepted pursuant to this Agreement prior to the expiration of this Agreement but such service is not being provided at the expiration of this Agreement; and (ii) that is subject to an initial contract period which is greater than one (1) month.

Section 4. Charges and Payment

4.1 In consideration of the services provided under this Agreement, the purchasing Party shall pay the charges set forth in Attachment I. The billing and payment procedures for charges incurred by a purchasing Party hereunder are set forth in Attachment VIII.

Section 5. Assignment

5.1 Any assignment or delegation by either Party to any non-affiliated entity of any right, obligation or duty, or of any other interest hereunder, in whole or in part, without the prior written consent of the other Party shall be void (except the assignment of a right to moneys due or to become due). A Party assigning or delegating this Agreement or any right, obligation, duty or other interest hereunder to an Affiliate shall provide written notice to the other Party. All obligations and duties of any Party under this Agreement shall be binding on all successors in interest and assigns of such Party. No assignment or delegation hereof shall relieve the assignor of its obligations under this Agreement.

5.2 If any obligation of either Party is performed by a subcontractor or Affiliate, such Party shall remain fully responsible for the performance of this Agreement in accordance with its terms.

Section 6. Compliance with Laws

6.1 Each Party shall perform terms, conditions and operations under this Agreement in a manner that complies with all Applicable Law, including all regulations and judicial or regulatory decisions of all duly constituted governmental authorities of competent jurisdiction. Each Party shall be responsible for obtaining and keeping in effect all FCC, state regulatory commission, franchise authority and other regulatory approvals that may be required in connection with the performance of its obligations under this Agreement. Each Party shall reasonably cooperate with the other in obtaining and maintaining any approvals required by this Section. In the event the Act or FCC Rules and Regulations

applicable to this Agreement are held invalid, this Agreement shall survive, and the Parties shall promptly renegotiate any provisions of this Agreement which, in the absence of such invalidated Act, Rule or Regulation, are insufficiently clear to be effectuated.

6.2 Except as otherwise specified in this Agreement, each Party shall be responsible for: (i) all costs and expenses it incurs in complying with its obligations under this Agreement; and (ii) the development, modification, technical installation and maintenance of any systems or other infrastructure which it requires to comply with and to continue complying with its responsibilities and obligations under this Agreement.

Section 7. Governing Law

7.1 The validity of this Agreement, the construction and enforcement of its terms, and the interpretation of the rights and duties of the Parties, shall be governed by the Act and the laws of the Commonwealth of Virginia, without regard to its conflicts of laws rules.

Section 8. Relationship of Parties

8.1 Each Party is an independent contractor, and has and hereby retains the right to exercise full control of and supervision over its own performance of its obligations under this Agreement.

8.2 Each Party retains full control over the employment, direction, compensation and discharge of all of its employees, agents and contractors assisting in the performance of its obligations under this Agreement. Each Party will be solely responsible for all matters relating to payment of its employees, agents and contractors, and payment of Social Security and other taxes in association with such employees, agents and contractors, and withholding and remittance of taxes from such employees, agents and contractors.

8.3 Nothing contained within this Agreement shall:

8.3.1 Make either Party the agent, servant or employee, of the other Party;

8.3.2 Grant either Party the authority to enter into a contract on behalf of, or otherwise legally bind, the other Party in any way;

8.3.3 Create a partnership, joint venture, or other similar relationship between the Parties; or

8.3.4 Grant to either Party a franchise, distributorship, or similar interest.

8.4 The relationship of the Parties under this Agreement is a non-exclusive relationship. Each Party shall have the right:

8.4.1 To provide services to be provided by it under this Agreement to persons other than the other Party; and

8.4.2 To purchase services which can be purchased by it under this Agreement from persons other than the other Party.

Section 9. No Third Party Beneficiaries

9.1 Except as may be specifically set forth in this Agreement, this Agreement does not provide and shall not be construed to provide any third parties (including, but not limited to, subscribers or subcontractors of a Party) with any right, remedy, claim, reimbursement, cause of action, or other privilege. The provisions of this Agreement are for the benefit of the Parties hereto and not for any other person, provided, however, that this shall not be construed to prevent either Party from providing its Telecommunications Services to any entities.

Section 10. Intellectual Property Rights

10.1 Any intellectual property which originates from or is developed by a Party shall remain in the exclusive ownership of that Party. Except for a limited license to use a Party's patents or copyrights to the extent necessary for the Parties to use any facilities or equipment (including software) or to receive any service solely as provided under this Agreement, no license in patent, copyright, trademark or trade secret, or other proprietary or intellectual property right now or hereafter owned, controlled or licensable by a Party, is granted to the other Party or shall be implied or arise by estoppel.

10.2 Bell Atlantic shall indemnify MCIIm with respect to MCIIm's use, pursuant to the terms of this Agreement, of intellectual property associated with any new Bell Atlantic network equipment or software acquisitions. Bell Atlantic warrants that it will not enter into any licensing agreements with respect to new Bell Atlantic network equipment or software acquisitions that contain provisions that would disqualify MCIIm from using or interconnecting with such network equipment or software pursuant to the terms of this agreement. Bell Atlantic also warrants that it has not and will not intentionally modify any existing licensing agreements for existing network equipment or software in order to disqualify MCIIm from using or interconnecting with such network equipment or software pursuant to the terms of this agreement. To the extent that the providers of equipment or software in Bell Atlantic's network provide Bell Atlantic with indemnities covering intellectual property liabilities and those indemnities allow a flow through of protection to third parties, Bell Atlantic shall flow those indemnity protections through to MCIIm. Bell Atlantic will inform MCIIm of any pending or threatened intellectual property claims relating to Bell Atlantic's network of which Bell Atlantic is aware and will update that notification periodically as needed, so that MCIIm receives maximum notice of any intellectual property risks it might want to address. Notwithstanding any part of this Section 10, MCIIm retains the right to pursue legal remedies against Bell Atlantic if Bell Atlantic is at fault in causing intellectual property liability to MCIIm.

10.2.1 For purposes of Section 10.2, Bell Atlantic's obligation to indemnify shall include the obligation to indemnify and hold MCIIm harmless from and against any loss, cost, expense or liability arising out of a claim that MCIIm's use, pursuant to the terms of this Agreement, of such new Bell Atlantic network equipment or software infringes the intellectual property rights of a third party. Moreover, should any such network equipment or software or any portion thereof provided by Bell Atlantic hereunder become, or, in Bell Atlantic's reasonable opinion, be likely to become, the subject of a claim of infringement, or should MCIIm's use thereof be finally enjoined, Bell Atlantic shall, at its immediate expense and at its choice:

10.2.1.1 Procure for MCIIm the right to continue using such material; or

10.2.1.2 Replace or modify such material to make it non-infringing provided such replacement or modification is functionally equivalent.

10.3 Unless otherwise mutually agreed upon, neither Party shall publish or use the other Party's logo, trademark, or service mark in any product, service, advertisement, promotion, or any other publicity matter, except that nothing herein shall prohibit lawful comparative advertising or comparative marketing.

Section 11. Indemnification

11.1 Each Party agrees to release, indemnify, defend and hold harmless the other Party from and against all losses, claims, demands, damages, expenses, suits or other actions, or any liability whatsoever, including, but not limited to, costs and attorneys' fees (collectively, a "Loss") incurred by the indemnified Party to the extent that such Loss is: (a) suffered, made, instituted, or asserted by any other person, relating to personal injury to or death of any person, or for loss, damage to, or destruction of real and/or personal property, whether or not owned by others, incurred during the term of this Agreement and to the extent legally caused by the acts or omissions of the indemnifying Party, regardless of the form of action; or (b) suffered, made, instituted, or asserted by the indemnifying Party's own customer(s) against the indemnified Party arising out of the indemnified Party's provision of services to the indemnifying Party under this Agreement, except to the extent the Loss arises from a breach of this Agreement by the indemnified Party. Notwithstanding the foregoing indemnification, nothing in this Section 11 shall affect or limit any claims, remedies, or other actions the indemnifying Party may have against the indemnified Party under this Agreement, any other contract, or any applicable Tariff(s), regulations or laws.

11.2 MCIIm shall indemnify, defend and hold harmless Bell Atlantic, Bell Atlantic's Affiliates, and the directors, officers and employees of Bell Atlantic and Bell Atlantic's Affiliates, from and against any claim, demand, suit, action, judgment, liability, damage or loss (including reasonable costs, expenses and attorneys' fees on account thereof), that

arises out of or results from: (i) MCIIm's negligent use or occupancy of a Bell Atlantic NID; (ii) wiring, facilities, equipment or other apparatus, negligently installed by MCIIm in or on a Bell Atlantic NID, or negligently connected by MCIIm to a Bell Atlantic NID; or (iii) the negligent acts or omissions of MCIIm, MCIIm's Affiliates, or the employees, agents or contractors of MCIIm or MCIIm's Affiliates, in connection with a Bell Atlantic NID. Where the NID is not used by Bell Atlantic or another Telecommunications Carrier (except MCIIm) to provide service to the premise, MCIIm shall have the burden, as between Bell Atlantic and MCIIm, to rebut the presumption that the claim, demand, suit, action, judgment, liability, damage or loss arises from wiring, facilities, equipment or other apparatus, negligently installed by MCIIm in or on a Bell Atlantic NID, or negligently connected by MCIIm to a Bell Atlantic NID. For the purposes of this Section 11.2, references to "negligence" or "negligently" shall be read to also encompass acts of gross negligence and/or intentional misconduct.

11.3 The indemnification provided herein shall be conditioned upon:

11.3.1 The indemnified Party shall promptly notify the indemnifying Party of any action taken against the indemnified Party relating to the indemnification, provided that failure to notify the indemnifying Party shall not relieve it of any liability it might otherwise have under this Section 11 to the extent it was not materially prejudiced by such failure of notification.

11.3.2 The indemnifying Party shall have sole authority to defend any such action, including the selection of legal counsel, and the indemnified Party may engage separate legal counsel only at its sole cost and expense. In the event the indemnifying Party does not accept the defense of any such action, the indemnified Party shall have the right to employ counsel for its own defense at the expense of the indemnifying Party.

11.3.3 In no event shall the indemnifying Party settle or consent to any judgment pertaining to any such action without the prior written consent of the indemnified Party, which consent shall not be unreasonably withheld.

11.3.4 In any action for which indemnity is sought, the indemnified Party shall assert any and all provisions in applicable Tariffs that limit liability to third parties as a bar to any recovery by the third party claimant in excess of applicable limitations of liability.

11.3.5 The indemnified Party shall offer the indemnifying Party all reasonable cooperation and assistance in the defense of any such action.

Section 12. Limitation of Liability

12.1 Neither Party shall be liable to the other for any indirect, incidental, special or consequential damages arising out of or related to this Agreement or the provision of service hereunder. Notwithstanding the foregoing limitation, a Party's liability shall not

be limited by the provisions of this Section 12 in the event of its willful or intentional misconduct, including gross negligence. Bell Atlantic shall be liable to MCIIm for lost revenues resulting from Bell Atlantic's breach of this Agreement only to the same extent that Bell Atlantic's Tariffs provide liability for Bell Atlantic end user subscribers' revenue losses. A Party's liability shall not be limited with respect to its indemnification obligations.

Section 13. Warranties

13.1 As more specifically set forth herein, each Party shall perform its obligations hereunder at Parity, as defined in Part B of this Agreement, which definition is intended to embody the performance provisions set forth in 47 U.S.C. § 251, and any implementing regulations thereunder, as those provisions may apply to the Party and obligation in question.

13.2 As more specifically set forth in Attachment II, Bell Atlantic shall provide Local Resale at Parity.

13.3 As more specifically set forth in Attachment III, Bell Atlantic shall provide Network Elements at Parity.

13.4 As more specifically set forth in Attachment IV, Bell Atlantic shall provide Interconnection at Parity and on a Non-Discriminatory Basis. MCIIm shall provide Interconnection on a Non-Discriminatory Basis.

13.5 As more specifically set forth in Attachment V, Bell Atlantic shall provide Collocation in accordance with the legally effective rules, regulations and orders of the FCC and the Commission.

13.6 As more specifically set forth in Attachment VI, Bell Atlantic shall provide Non-Discriminatory access to poles, ducts, conduits, and ROW owned or controlled by Bell Atlantic, in accordance with the requirements of section 224 of the Act and legally effective rules, regulations and orders of the FCC and the Commission.

13.7 As more specifically set forth in Attachment VII, Bell Atlantic and MCIIm shall provide Interim Number Portability and Number Portability in accordance with the legally effective rules, regulations and orders of the FCC and the Commission.

13.8 As more specifically set forth in Attachment VIII, Bell Atlantic and MCIIm shall meet Business Process Requirements.

13.9 As more specifically set forth in Attachment VIII, Bell Atlantic shall provide Non-Discriminatory access to telephone numbers for as long as Bell Atlantic remains the code administrator for the North American Numbering Plan.

13.10 As more specifically set forth in Attachment VIII, Bell Atlantic and MCIIm shall provide dialing parity in accordance with the legally effective rules, regulations and orders of the FCC and the Commission.

13.11 As more specifically set forth in Attachment IX, Bell Atlantic and MCIIm shall meet security requirements, to the extent applicable to the security requirement in question.

13.12 As more specifically set forth in Attachment X, Bell Atlantic shall provide performance reporting.

EXCEPT AS SET FORTH IN THIS AGREEMENT, NEITHER PARTY MAKES ANY WARRANTIES WITH RESPECT TO ITS SERVICES, WHETHER EXPRESS OR IMPLIED, WRITTEN OR ORAL, IN FACT OR IN LAW. THE WARRANTIES SET FORTH IN THIS AGREEMENT ARE A PARTY'S EXCLUSIVE WARRANTIES WITH RESPECT TO ITS SERVICES AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WRITTEN OR ORAL, IN FACT OR IN LAW. EACH PARTY DISCLAIMS ANY AND ALL OTHER WARRANTIES WITH RESPECT TO ITS SERVICES, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND WARRANTIES AGAINST INFRINGEMENT.

Section 15. Technical References

15.1 The Parties agree that the Bell Atlantic technical references set forth in Appendix I to this Part A (Technical Reference Schedule) provide the current technical specifications for the services offered by Bell Atlantic under this Agreement. Bell Atlantic reserves the right with reasonable notification to revise its technical references for any reason including, but not limited to, laws or regulations, conformity with updates and changes in standards promulgated by various agencies, utilization of advances in the state of technical arts, or the reflection of changes in the design of any facilities, equipment, techniques, or procedures described or referred to in the technical references.

Notification of changes that are made to the underlying Bell Atlantic services will be made in conformance with the requirements of Section 251(c)(5), Notice of Changes, of the Act, and the FCC's Rules and Regulations. The Parties acknowledge that the general technical references set forth below contain certain generally accepted industry guidelines for particular interface and performance parameters for telecommunications equipment used by LECs in the United States. Such accepted technical references may be used by LECs to specify suitable equipment and facilities components for use in their respective networks, to assure interoperability between components that collectively comprise such networks, and to specify the interface characteristics and typical end-to-end performance of certain services.

15.2 The Parties acknowledge that they and their vendors and suppliers derive guidance from such technical references, and make reasonable efforts to conform to them. Requests for specific performance, functionality, or capabilities not applied in a Party's network should be handled using the BFR process set forth in Section 25 (BFR Process for Further Unbundling) of this Part A.

15.3 If one or more of the technical requirements set forth in Appendix I are in conflict, the Parties shall reasonably agree on which requirement shall apply.

15.4 The Parties agree that they each intend, to the extent technically feasible and commercially reasonable, to conform generally to industry standards applicable to the Parties set by the OBF, within a reasonable time after publication of final standards.

With respect to OBF and other industry standards, the Parties agree that they will negotiate in good faith the applicability, technical feasibility and commercial reasonableness for implementation of such standards for services and arrangements under the Agreement.

Section 16. Remedies

16.1 The obligations of the Parties and the services offered under this Agreement may be unique. Accordingly, in addition to any other available rights or remedies, either Party may sue in equity for specific performance.

16.2 In the event either Party fails to switch a subscriber to the other Party's service as requested through a service request from the other Party, within any applicable intervals set forth in this Agreement or required by Applicable Law, or erroneously switches the other Party's subscriber away from that Party, then such act (including the continued provision of Telecommunications Services to such subscriber by the Party erroneously switching or failing to switch) shall be deemed an improper change in subscriber carrier selection commencing with the time at which such Party erroneously failed to switch such subscriber, or erroneously switched such subscriber. If such an improper change in subscriber carrier selection should occur, the rights and obligations of the Parties shall be determined in accordance with the regulations pertaining to such conduct on the part of Interexchange Carriers as set forth in the FCC's Rules and Regulations, Part 64, Subpart K, as these may be amended from time to time. For the purpose of this Section, Bell Atlantic shall be deemed an Interexchange Carrier.

16.3 At such time as the FCC or other competent regulatory body adopts regulations implementing 47 U.S.C. Section 258 or otherwise adopt regulations applicable to illegal or improper changes in local service, then such regulations shall supersede those applicable to Interexchange Carriers for the purposes of this Section 16.

16.4 Unless otherwise specifically provided hereunder, all rights of termination, cancellation or other remedies prescribed in this Agreement, or otherwise available, are cumulative and are not intended to be exclusive of other remedies to which the injured Party may be entitled at law or equity.

Section 17. Waivers

17.1 A failure or delay of either Party (including any course of dealing or course of performance) to enforce any of the provisions of this Agreement, or any right or remedy available under this Agreement or at law or in equity, or to require performance of any of the provisions of this Agreement, or to exercise any option provided under this Agreement, shall in no way be construed to be a waiver of such provisions, rights, remedies or options.

17.2 Waiver by either Party of any default by the other Party shall not be deemed a waiver of any other default.

Section 18. Survival

18.1 Any liabilities or obligations of a Party for acts or omissions occurring prior to the expiration, cancellation or termination of this Agreement, any obligation of a Party under any provision for indemnification or defense (including, but not limited to, any of Sections 10, 11, 12, 23, 24, 28 and 29), Section 3, "Termination", Section 22, "Confidential Information", any provision for limitation of liability, and any obligation of a Party under any other provisions of this Agreement which, by their terms, are contemplated to survive (or to be performed after) expiration, cancellation or termination of this Agreement, shall survive the expiration, cancellation or termination of the Agreement, but solely to the minimum extent necessary to effectuate such provisions or complete such performance.

Section 19. Force Majeure

19.1 Except as otherwise specifically provided in this Agreement (including, by way of illustration, circumstances where a Party is required to implement disaster recovery plans to avoid delays or failure in performance and the implementation of such plans was designed to avoid the delay or failure in performance), neither Party shall be liable for any delay or failure in performance of any part of this Agreement by it caused by acts or failures to act of the United States of America or any state, district, territory, political subdivision, or other governmental entity, acts of God or a public enemy, strikes, labor slowdowns, or other labor disputes, but only to the extent that such strikes, labor slowdowns, or other labor disputes also affect the performing Party, fires, explosions, floods, embargoes, earthquakes, volcanic actions, unusually severe weather conditions, wars, civil disturbances, or other causes beyond the reasonable control of the Party claiming excusable delay or other failure to perform ("Force Majeure Condition"). In the event of any such excused delay in the performance of a Party's obligation(s) under this Agreement, the due date for the performance of the original obligation(s) shall be extended by a term equal to the time lost by reason of the delay. In the event of such delay, the delaying Party shall perform its obligations at a performance level no less than that which it uses for its own operations. In the event of such performance delay or failure by Bell Atlantic, Bell Atlantic agrees to resume performance at Parity and in a Non-Discriminatory manner.

19.2 If any Force Majeure Condition occurs, the Party whose performance fails or is delayed because of such Force Majeure Condition shall give prompt notice to the other Party, and upon cessation of such Force Majeure Condition, shall give like notice and commence performance hereunder as promptly as reasonably practicable.

19.3 Notwithstanding Section 19.1, no delay or other failure by a Party to perform shall be excused pursuant to this Section by the delay or failure of a Party's subcontractors,

materialmen, or suppliers to provide products or services to the Party, unless such delay or failure is itself the product of a Force Majeure Condition, and such products or services cannot be obtained by the Party from other persons on commercially reasonable terms.

Section 20. Publicity

20.1 Neither Party shall produce, publish, or distribute any press release or other publicity referring to the other Party in connection with this Agreement, without the prior written approval of the other Party, which approval shall not be unreasonably withheld.

Section 21. Default and Termination

21.1 If a Party ("Breaching Party") materially breaches a material provision of this Agreement (other than an obligation to make payment of any amount billed under this Agreement), and such breach continues for more than thirty (30) days after written notice thereof from the other Party ("Injured Party"), then, except as otherwise required by Applicable Law, the Injured Party shall have the right, upon notice to the Breaching Party, to terminate or suspend this Agreement and/or the provision of services.

21.2 If a purchasing Party fails to make a payment of any amount billed under this Agreement by the due date stated on the providing Party's bill and such failure continues for more than thirty (30) days after written notice thereof from the providing Party, then, except as provided in Section 21.3 or as otherwise required by Applicable Law, the providing Party shall have the right, upon notice to the purchasing Party, to terminate or suspend this Agreement and/or the provision of services.

21.3 Billing Disputes.

21.3.1 If a billing dispute arises concerning any charges billed pursuant to this Agreement by a providing Party to a purchasing Party, payments withheld or paid pending settlement of the dispute shall be subject to interest at the rate set forth in Bell Atlantic's interstate access tariff..

21.3.2 If the purchasing Party pays the bill in full by the payment due date and later initiates a billing dispute pursuant to Attachment VIII, Section 3.1.9, interest will apply as follows:

21.3.2.1 If the billing dispute is resolved in favor of the purchasing Party, the purchasing Party shall receive a credit from the providing Party. This credit will be an amount equal to the disputed amount, plus interest at the rate set forth in Bell Atlantic's interstate access tariff. This amount will apply from the date of the purchasing Party's payment through the date on which the purchasing Party receives payment of the disputed amount and accrued interest from the providing Party.

21.3.2.2 If the dispute is resolved in favor of the providing Party, neither a late payment charge nor an interest charge is applicable.

21.3.3 If the purchasing Party withholds payment on the bill (in full or in part) and initiates a billing dispute pursuant to Attachment VIII, Section 3.1.9, interest will apply as follows:

21.3.3.1 If the billing dispute is resolved in favor of the providing Party, the purchasing Party shall pay the providing Party a payment equal to the amount withheld by the purchasing Party, plus interest at the rate set forth in Bell Atlantic's interstate access tariff. This amount will apply from the payment due date through the date on which the providing Party receives payment of the disputed amount and accrued interest from the purchasing Party.

21.3.3.2 If the dispute is resolved in favor of the purchasing Party, neither a late payment charge nor an interest charge is applicable.

21.4 Notwithstanding the foregoing, if a Party's material breach is for any failure to perform in accordance with this Agreement which materially and adversely affects the provision of service of the non-breaching Party's subscribers, the non-breaching Party shall give notice of the breach and the breaching Party shall cure such breach within ten (10) days or within a period of time equivalent to the applicable interval required by this Agreement, whichever is shorter, and if the breaching Party does not, the non-breaching Party may, as its sole option, terminate this Agreement, or any parts hereof. The non-breaching Party shall be entitled to pursue all available legal and equitable remedies for such breach.

21.5 MCIIm may terminate this Agreement in whole or in part at any time for any reason upon sixty (60) days prior written notice, except with respect to termination of any particular service(s), in which case, upon thirty (30) days prior written notice. MCIIm's sole liability for such termination shall be payment of amounts due for services provided up to the date of termination, unless otherwise provided for in this Agreement or in a Tariff providing a termination liability or minimum term for a service.

21.6 In the event of any termination under this Section 21 and, if applicable, pursuant to Section 3.3, Bell Atlantic agrees to provide for an uninterrupted transition of the services Bell Atlantic is providing to MCIIm at the time of termination to MCIIm or another vendor designated by MCIIm, and MCIIm agrees to provide for an uninterrupted transition of services MCIIm is providing to Bell Atlantic at the time of termination to Bell Atlantic or another vendor designated by Bell Atlantic.

21.7 Notwithstanding any termination hereof, the Parties shall continue to comply with their obligations under the Act to provide interconnection in accordance with Applicable Law.
